

English Language Arts

Hello everyone!
Welcome back to school! Did you have a fun summer vacation? I think many of you were very busy studying hard at summer school or cram school. Remember to take it easy sometimes too!

This month we will finish reading *The Goat in the Rug*. After that, we will be busy preparing for this year's SWCC! I'm sure you've already learned a lot about your country. I'm looking forward to seeing your great ideas for this year!

Physical Education

Vault into 2nd Term!

Key Words

- vault
- straddle
- land
- tuck
- legs together
- stick
- roll

Summer vacation might be over, but it is still extremely hot outside. This month we will have our P.E. lessons inside. That does not mean we will not work hard though!

This month we are going to practice different skills on the vault box. This can be a dangerous activity, so let's be sure to pay attention and stay safe. Also, make sure to wash your hands before and after class!

Arts and Craft

Super September

Hello 6th Graders!
I hope you had a good summer vacation with lots of fun activities. It has been a very hot summer and we will need to remember to stay *hydrated* (drink lots of water) this month.

For the next project, we will be working on our Wood Carving Skills. The theme this time is a *School Memories*. Think about activities that you have enjoyed doing in school. The activities can be *individual* or *together with a friend*.

Our Projects

- Wood Carving - School Memories
- Useful Keywords
- Composition
- Shadow
- Pattern
- Lines
- Balance

Here are a few ideas from students of other schools to help you generate (get) some ideas.

As you look at the pictures, remember to take notice of the following:

- **Balance** of black and white
- Carving direction
- **Composition** of the picture
