Hello everyone!

**Useful Words**

- Numbers
- Compare
- More
- Less
- Same
- In order

We just learned numbers 0 to 10. Now we are going to learn how to **compare** numbers. When we compare, we look at the two numbers and find for their difference. A number can be **more**, and a number can be **less**.

Which has **more**? Which has **less**?

Also, we are learning about ordinal numbers. Which comes first? Which comes last?

Hello 6<sup>th</sup> Graders!

This month we will be **working together in groups** to create our **short stop motion animation**. We will be using the story that you have studied in English lessons "**Click, Clack, Moo**" as the base structure for our animations. We will learn about **how to make a storyboard** and think about **movement that happens frame-by-frame**.

Here is a **showcase of your hard work**. We are still waiting for some of our friends to finish but I think your work looks good together!
