Hello 1st graders!

I am very excited for our School Show!

We are all busy preparing for our School Show. You are doing well in our practices.

Please do not be shy when saying your lines with full emotions.

Enjoy everyone!

Mr. Bautista

Arts and Craft

Imagination will take you everywhere!

Hello 1st Graders!

What a busy January you've had! It's February now and we'll be busy preparing for our School show. This month we will finish making our beautiful kites. Then, we will begin working on our Jump Rope Sticker Prints. In this project, we will be thinking about body positions and layers.

What does your body look like when you are jumping or running?

Falling in love with Soccer

Hello, 1st Graders!

Well done on the mats! You improved a lot! In February, we are learning to have fun playing ball-kicking games. We will learn the rules of many games, play as a team, and more! Also, it will be cold outside, so remember to bring your jump ropes!

Mr. Smith

Mathematics

One hundred..

Useful Words

- plus
- addition
- minus
- subtraction
- put Together
- take Away

Hello 1st graders!

This month, we will be learning to write numbers in English properly.

We will also do how to put numbers together and how to take them away. In math. We call this as addition and subtraction of numbers.

Mr. Bautista

Sunny Days

English Language Arts

Hello 2nd Graders!

The weather is still cold. I hope you're keeping yourself **warm**.

This month we will be practising for our **school show**. Everyone has been working hard and trying our best. By the time it is our school show, we will be able to perform well!

Good luck 2nd Graders!

Ms. Soo

Arts and Craft

Hi boys and girls!

Good job with the collaboration art. We worked hard together and more importantly, as a team!

This month we are going to work on using a **cutter knife**. We will be making a **headdress**! Remember, we have to think about our **safety** when using the cutter knives.

Useful words

- cutter knife
- safety
- rules
- headdress

Ms. Soo

Physical Education

Hello, 2nd graders!

It is already **February** and we are going to be back **outside** for P.E. classes!

Useful words!

- shoot
- pass
- goal
- defend

This month we will have a lot of fun kicking balls and playing the world's **most popular sport - soccer**! We will make **different rules** and have fun together **in teams and pairs**. Remember to play **safe** and **follow the rules**.

Mr. Bond

Mathematics

Hope you're doing well, 2nd Graders!

This month we will continue to do money! It is an interesting topic, so let's learn more about **counting money** and using money around the world!

Useful words

- dollars
- cents
- coins
- notes
- change

Ms. Soo

Shooting Star

English Language Arts

Hello, everyone!

It's been a month since we entered the new year. I hope you had an amazing start!

For February, we will be practicing for our **School Show** which will be on **February 25th**. For the Immersion part, we will do a play called "**God's Gifts**". What gift do you have? How are you using the gift given to you?

Let's do our best to memorize our lines and practice well. Remember that there are no big or small roles. **Each role is important!**

Mrs. Maligad

Arts and Craft

Hello 3rd Graders!

Great job on your Keith Haring Collaboration Artwork! Some parts were a little challenging but you did a **great job supporting each other**. I think the artwork looks fantastic when put together.

For our next art project, we will be **making a Future Town**! What do you think buildings will look like when you are 99 years old? What would be the same? What would be different?

Can you imagine what it would be like?

In this project, we will exercise our **creativity and imagination**, as well as think about how to create our designs. Let's have another fun month!

Please bring your materials to school by **February 7th**

Useful words

- shape
- roof
- unique
- future
- materials

Mr. Chia

Physical Education

Hi, everyone!

Did you have a great time on the **ski trip**? There sure was a lot of snow, wasn't there?

This month we are going to be back **outside**. We will play **line soccer**. It is a little different than regular soccer. We will practice how to kick the ball and learn some new rules. Let's have fun playing together with **everyone**.

Mr. Bond

123

Mathematics

Put on your thinking hats!

Hello 3rd Graders!

For math this month, we will continue to learn about **Volume** and move on to **Capacity**.

Can you estimate the capacity of each container?

Useful words

- Capacity
- Millilitres (mL)
- Litres (L)
- Containers

Mrs. Maligad

Show Time!

It's almost time for our **School Show**! I can hardly wait for the **big day**! This year you have all come up with great ideas for the show. I'm very pleased with how far you have come with your **preparations**.

This month we will spend our English class time to continue practicing for the School Show and making the **final changes** to your props, slides, and lines. I'm sure your parents are **excited** to see you **do your best**. Your teachers are, too!

3. 2. 1...Action!

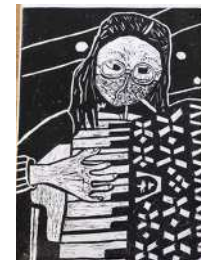

Mr. Bond

Arts and Craft

Hello 4th Graders!

Great job with your **Positive and Negative Art**. I'm very impressed at all your ideas! This month, we will begin working on our **Wood Carving project**. In this project, we will use what we learned about **balance**, **reversal** and **composition** to make the wood carving.

carving tools
print
ink
balance
smooth
edge

Mr. Chia

Physical Education

Kick it!

Great work last month on the vault box. Also, we used some of our P.E. time when we went on the **ski trip**. I was impressed by how quickly many of you learned how to ski! I'm glad **no one** was **injured**!

This month we will begin playing **2-goal soccer**. It is a little different that regular soccer because each team has **2 goals**! Let's learn how to play it and have fun.

Remember to show **good sportsmanship** by **encouraging** your team mates **even when they miss**. Also, **cheer on** the other team and understand that **we can't win every game**. Let's enjoy this unit together!

Useful words!

- kick
- position
- pass
- strategy

Mr. Bond

Mathematics

Perfect Symmetry

This month in Math class we will be doing two things: First, we will finish our unit on **angles**. After that, we are going to start a new unit on **symmetry**.

Symmetry is where one side of an object is a **mirror image** of the other side. For example, a **heart shape** is symmetrical. If you fold origami paper in **half**, each side should be symmetrical to the other side. Let's discuss it more in class!

Useful words

- symmetry
- symmetrical
- reflect
- translate
- rotate

Hello everyone!

It's already February and we're in our *final two months* before we end the school year and become a 6th Grader. This month, as we practice for our school show, we will continue to learn about **facts and opinions**. We will also start to work on **researching** about an animal to **create a book and data card**.

I'm sure it's going to be a busy month with all the practice and preparations that we are doing but let's have a *Fantastic February* together.

By the way, do you know how jellyfish sting other things? There's a video linked below for you to take a look at if you are **curious**.

Key Question
What is special about animals that live in the ocean?

Anchor Text: The Life of Jellyfish

PAINT BRUSHES UP!

Useful words

- jigsaw
- board
- cutting
- machine
- curves
- blades

Hi 5th Grade!

It's been very cold lately. Remember to stay warm.

Everyone is doing a good job with their communication board. We also have been paying close attention to the safety rules.

This month we will continue to paint and cut our boards. It can be difficult and challenging but I believe everyone is able to do a good job! Let's keep it up, 5th Graders.

Hello, 5th Graders!

We are finished with mat exercises! You improved a lot! You should feel very proud.

Good Job!

In February, our next goal is to **improve our soccer skill**. We will have fun improving our **passing, dribbling, and shooting**; we think about how to play **with and without the ball**; we will **make strategies** with our teams, and more!

It will be cold outside, so remember to bring your **jump ropes** to warm up well! Let's do it!

Fantastic Feelings in February!

Hi, 6th Graders! ❤️❤️❤️❤️❤️❤️

It's another busy month in **February**! We are using all English class time to prepare for the **School Show**, but we will also try to make time to finally read *Luke Goes To Bat* during Shujitsu Time.

You guys are doing well. Your presentations will be great!!

F.C. Shujitsu Elementary!

Hello again, everyone!

Well done doing your mat routines! They were fantastic! Our goal this month is to **improve our soccer skill**. We will focus on improving our **passing, dribbling, and shooting**; we think about how to play **with and without the ball**; we will make strategies with our teams, and more! Remember to bring your **jump ropes** to warm up well! Let's do our best!

Mr. Smith
