Hello everyone!

Welcome to **1st Grade!** I'm very excited to go on an English adventure with you all. I hope you are too!

This month, we will learn to write the **Alphabet** and our **names nicely and neatly**. There will be **singing, dancing, games** and a lot more. We want our classes to be fun, interesting and safe for everyone!

Please try to...

- name the letters.
- write your name.

## Arts and Craft

Hello 1st Graders!

Welcome to our Art class! You can call me **Mr. Chia** and **I love art!** This month, we will have some **fun and colorful projects** to do. The first one is called **"Our Magical Rainbow"**.

If you could play with a rainbow, what would you do?

For our second project, we will have a **clay challenge!** I'm sure a lot of you have played with clay before so I am wondering **what kind of animals you can make**. Let's have fun together!

Useful words

Mr. Chia

## Physical Education

Welcome 1st Graders!

Welcome to Shujitsu Elementary School 1st graders. I am your P.E. teacher, Mr. Bautista. I hope we can enjoy P.E. class together!

To start, we are going to prepare for Sports Day in May. We are going to practice our Dance Performance, and our Ball Toss.

Let's have a great year in P.E. class!

Useful words!

Warm Up  
Exercise  
Dance  
Line-up  
Ball Toss

Mr. Bautista

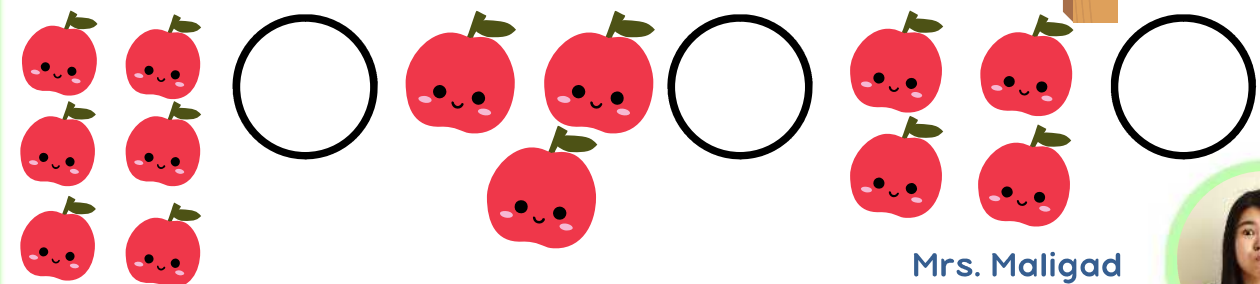

## Mathematics

### 1-2-3! Let's go!

Hello 1st Graders!

Our **math** classes will begin in May. For now, let's get ourselves ready to **count numbers** from **0-10!**

How many apples do you see?

Useful words  
count  
numbers

How many~?

## English Language Arts

Hello 2nd Graders!

Welcome to the 2nd Grade! Are you excited?

This year we will look into new books and topics. We will have 2 different textbooks: **Journeys** and **Jolly Grammar**. We will look at some stories from Journey's. Then, we will work on spelling and grammar in Jolly Grammar.

This month, we will look at **sh, ch, and th** words, **Capital Letters** and **Setences**.

Ms. Soo

## Arts and Craft

Hi boys and girls!

We will start the new school year off with a project about yourself. It is called "**Things I like to do**".

For this project, we will focus on **colours, movement, and how to draw people**. What kinda of things do you like to do for fun?

### Useful words

- light
- dark
- movement
- body parts

Ms. Soo

## Physical Education

Hello, 2nd Graders!

I'm so happy to teach P.E. to you this year! Woohoo!

To start, we will **move our bodies in many fun ways**. After that, we will practice many things to **prepare for Sports Day!** We will **run, we will dance, and more!**

Mr. Smith

### Useful words

- sportsman-ship
- exercise
- move
- improve

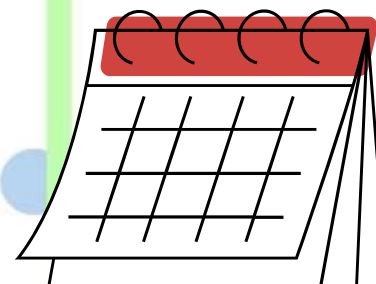

## 123

## Mathematics

Hope you're doing well, 2nd Graders!

This year we will be levelling up with Math, are you ready?

Our first topic for 2nd Grade is about the **four seasons**. Do you know it? We will also look at **calendars** and the **months**.

### Useful words

- calendar
- months
- spring
- summer
- autumn
- winter

Ms. Soo

# Shooting Star

## English Language Arts

Hello new 3rd graders!

**Wordbank:**

How do you say \_\_\_\_\_ in English?

How do you spell \_\_\_\_\_?

How was your **spring vacation**? Did you do anything fun? I can't wait to hear your **amazing stories**! This month is a very exciting time. Let's **create** new memories in school together!

**PHONICS (l blends):** What are these?

Mr. Bautista

## Arts and Craft

### Creative

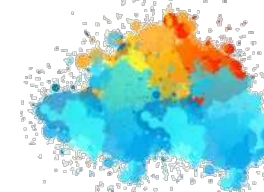

Hello 3rd Graders!

I'm so happy to be your Art teacher again. There are so many fun things we will be learning in Art classes.

For our first project this year, we will be making some "Paper Spider-webs". Can you imagine how we will make that?

For our second project, we will be practicing our painting skills by painting some beautiful flowers called "Hydrangeas". You learned about how to use your paint set last year so let's grow and get better at painting!

What color would you paint your Hydrangea?

## Physical Education

### MIGHTY MUSCLES

Welcome back to school, students!

I'm very excited to teach you this year.

First, we will practice our **Shujitsu Stretching**. It is very **important** to do before doing any P.E activity.

In April, we are going to do many exercises to move our bodies **rhythmically**. Let's get started!

**Wordbank:**

Good Manner

Quickly

Quietly

Stretch

Rhythmically

Mr. Bautista

## Mathematics

### Number Heroes

HELLO 3rd GRADERS,

Spring vacation is over! Did you have a good break? I will be your Math teacher this year.

It's now time to put on your wizard hats. This month we will be learning about **Money or Currency**.

It's a new school year for everyone so let's have fun learning numbers!

**Wordbank:**

Addition - Put Together

Subtraction - Take Away

Multiplication

Division

Mr. Bautista

### LET'S GO TO THE MOON !!

Hello, everyone! Welcome to the 4th grade! I'm very excited to teach English to you this year!

Do you ever **wonder about space**? Do you know what an **"astronaut"** is? What is it like **on the moon**? We will learn the answers to these questions and more in English class this month.

Let's **think like a champion and challenge** many things together!

#### Useful words

- participate
- focus
- respect
- challenge
- comment
- follow up

### The World of Art

Hello 4th Graders!

I am so happy to be able to teach you another year of Art! We have a lot of fun and challenging projects to work on this year. You did great in the 3rd grade and we are going to be awesome in the 4th!

For our first project this year, we will be drawing about **"Things we like to do with friends"**. What do you enjoy doing with your friends?

We will be using crayons and paint for our pictures and focusing on **size, position** and **details** when drawing. Here are some ideas for you to look at.

#### Wordbank

- Outline
- Paint Balance
- Details
- Color choice

## Physical Education

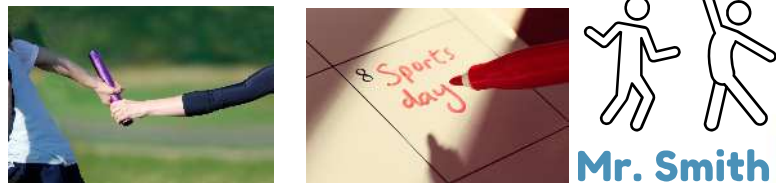

### LET'S MOVE OUR BODIES !

#### Useful words

- sportsman-ship
- exercise
- movement
- improve

Hello, again! I'm so happy to be teaching P.E. to you again this year! You guys have grown a lot in two years!

To start, we will **move our bodies in many fun ways**. After that, we will practice many things to **prepare for Sports Day!** We will **run relays**, we will **dance**, and more!

Mr. Smith

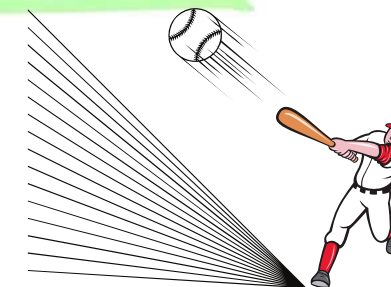

## 123

## Mathematics

### Angles

Well hello there!

It's **nice to see all** of you again this year. Last year we had fun together in P.E. class, but this year we'll be studying **Math** together!

We've got some **fun activities** planned along the way, so let's enjoy this year in a **different environment**. Our first topic is **angles** - can you find some angles around you? There's probably **more** than you think!

#### Helpful Words

- right angle
- straight angle
- acute angle
- obtuse angle
- reflex angle
- revolution

Mr. Bond

### WHAT ARE SOMETHINGS FAMILIES LIKE TO DO TOGETHER?

Hello everyone!  
Welcome back to school and also, welcome to the 5th Grade! I am so excited to have fun **learning English together** with you!  
This month, we will practice how to compare and contrast information from stories.

**Compare and Contrast** = find the parts that are **same** and **different**.

In the 4th Grade, you read an anchor text called **"My Family" by George Ancona**. We'll review the skills we learned from this story. Everybody's family is *a little bit different* but some parts are *also the same*. My family likes to go to parks, have BBQs and catch fish in rivers.

**What kind of things do you do with your family?**

We will also be singing **"Count on Me" by Bruno Mars**. This song is about being good friend and knowing that you have someone who will take care of you. If you want to listen to the song at home, click the picture below.

Mr. Chia

## Physical Education

I like to move it, move it!

### WORD BANK

- flexibility
- teamwork
- fluidity
- cooperation
- respect

Welcome back to school everyone!  
You're already **5th graders** - it's hard to believe. I had a great time with you guys and gals last year.

This year we can only see each other **twice a week** - that means **2 times a week**. We will have fun together in P.E. Everyone tried so hard last year, especially in the 3rd term. I have **high expectations** for each of you this year. Let's be **safe** and have fun in P.E. class.

First off, we are going to move our bodies and try to increase our **flexibility**. After that, we will start to prepare for the **Sports Day**, which will be here before you know it!

Mr. Bond

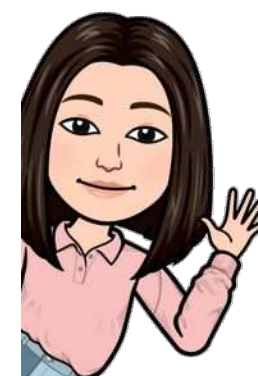

## Arts and Craft

- 2D
- 3D

ART IS NOT WHAT YOU SEE,  
BUT WHAT YOU MAKE OTHERS SEE

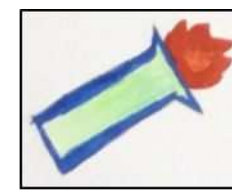

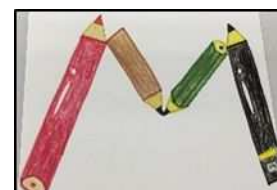

Hello 5th Graders,

Welcome back to school! How was your spring break? I hope you had a wonderful time with family and friends.

This year, we will have our Art classes **every other week** which means we have to finish our projects a little faster but always remember; **you can't rush quality in Art**.

This month, we will create a **3D Name Sculpture**. You will make unique designs for each letter of your name. Here are samples of **letter designs** done by students in the past. Can you guess the letters and the names?

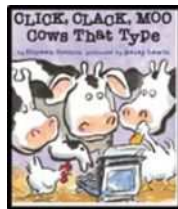

Mrs. Maligad

## English Language Arts

Hello, 6th graders!

It's been a long time since we last had class together. Do you remember our Math lessons when you were in the 4th grade? I had a lot of fun then. Let's have fun and learn a lot this year!

This month, we are going to read *Click, Clack, Moo: Cows that Type*.

Are you good at typing? How many words per minute can you type? In this story, we will think about how animals and humans can help each other.

## Physical Education

Hello, everyone!

I like to move it, move it!

We only have P.E. lessons twice a week. That means only 2 times each week. So the months will go by so quickly.

This month we are going to work on moving our bodies and becoming more flexible. After that we will start getting ready for the Sports Day! Sports Day will be here before you know it. So let's do our best to have safe and fun P.E. lessons this year. I'm looking forward to seeing your progress this year.

- flexibility
- communication
- relaxing
- fun

## Arts and Craft

"Creativity is inventing, experimenting, growing, taking risks, breaking rules, making mistakes, and having fun."

Hello 6th Graders!

I'm happy to be able to have art lessons with you in your final year at our school! How do you feel about being a 6th Grader? I am sure things will get very busy soon. I'm looking forward to all the amazing artwork that you will create!

This year, we only have art lessons once every two weeks. This means that the projects often take a long time to finish but I believe in taking time to make good art.

Our first project for the year is called "My Favorite Place in School". It's your last year in our elementary school. What was your favorite place? Please take a look at the pictures below from previous 6th Graders.
