

Shujitsu Elementary School designated an Apple Distinguished School Recognized for commitment to continuous innovation using technology.

October 4, 2023

Okayama City, Okayama Prefecture — Shujitsu Elementary School is pleased to announce it has been recognized as an Apple Distinguished School for the 2023–2026 program term.

Shujitsu Elementary School was selected for this distinction based on its commitment to continuous innovation in education and using Apple products to create exemplary learning practices.

“With this accreditation, Shujitsu Elementary School intends to learn from and share best practices with Apple Distinguished Schools worldwide, enhance the creative learning experiences of children, and by sharing our achievements globally, support the creative learning of children worldwide.”, says Shujitsu Elementary School’s principal, Seiji Umino.

Apple Distinguished Schools are recognized as some of the most innovative in the world. They’re centers of leadership and educational excellence, with a clear vision for how technology-rich environments support learning goals. In Apple Distinguished Schools, forward-thinking leaders and their communities work to inspire, imagine, and impact teaching and learning, and they have documented results of academic accomplishments.

Schools all over the world are using iPad and Mac to transform learning. As teachers incorporate technology into their lessons, they empower students to lead, learn, and thrive, to discover new opportunities, and to make their world a better place.

To prepare for the dynamic world, Shujitsu Elementary School offers four programs: “English immersion education”, “ICT education to foster creativity”, “Authentic Hands-On Learning Experiences”, and “Global education to foster internationalism”. We strive to nurture children who can create a sustainable future as leaders of a global society.
